FICTION

Cornwell, Bernard

The fort: a novel of the Revolutionary War

In a slight departure from his usual sword and musket epics, Cornwell delivers a straightforward fictionalized account of a disastrous 1779 American military campaign in today's Maine (then Massachusetts) that's heavy on historical figures and tense battle scenes. - *Publisher's Weekly*

Geda, Fabio

In the sea there are crocodiles

More than stand up as a page-turner that makes you care about its hero from the outset and willingly accompany him on his often perilous journey from Afghanistan to Italy. That it is based on reality makes it more than just a compelling adventure story. For here is a frank, revealing and

clear-eyed testament of the experiences faced by a young asylum-seeker in the contemporary world.....Salutary and humane, *In the Sea There Are Crocodiles*, as its international bestseller status indicates, deserves to be read widely by young and older readers alike. - *The Guardian*

Ghosh, Amitav

River of smoke

Donation

Eloquent . . . Fascinating . . . [*River of Smoke's*] strength lies in how thoroughly Ghosh fills out his research with his novelistic fantasy, seduced by each new situation that presents itself and each new character, so that at their best the scenes read with a sensual freshness as if they were happening now. - *The Guardian*

Members are encouraged to request titles if available

Glass, Julia

The widower's tale

Donation

Glass handles the coalescing plot elements with astute insights into the complexity of family relationships, the gulf between social classes, and our modern culture of excess to create a dramatic, thought-provoking, and immensely satisfying novel. – *Publisher's Weekly*

Gordon, Jaimy

Lord of misrule

Donation

2010 National Book Award-finalist Gordon's new novel begins and ends at a backwoods race track in early-1970s West Virginia...while Gordon's latest reaches for Great American Novel status, and her use of the colloquial voice perfectly evokes the time and place, constant shifts in perspective make the novel feel over-styled and under-plotted. – *Publisher's Weekly*

Halberstadt, Michèle

The pianist in the dark

The author of *Viennese Café* tells us the fabulous destiny of a young blind pianist. Spellbinding and masterful - *Femme Actuelle*

Hamill, Pete

Tabloid city

Member request

Hamill has crafted a beautiful novel, rich in New York City detail and ambience, that showcases the power of human goodness and how love, in its many forms, can prevail in an unfair world. – *Publisher's Weekly*

Pollen, Bella

The summer of the bear

The Fleming family, having lost father and husband Nicky, a cold war-era British diplomat, in a mysterious accident early in this satisfying novel (after *Midnight Cactus*), leaves the embassy at

Bonn for refuge in Scotland's Outer Hebrides. –

Publisher's Weekly

Pollock, Donald Ray

The devil all the time

Member request

If Pollock's powerful collection *Knockemstiff* was a punch to the jaw, his follow-up, a novel set in the violent soul-numbing towns of southern Ohio and West Virginia, feels closer to a mule's kick, and how he draws these folks and their inevitably hopeless lives without pity is what the kick's all about. – *Publisher's Weekly*

Schulman, Helen

This beautiful life

Member request

Schulman's topical, unsettling new novel [is] set in Manhattan's world of private-school privilege but chillingly relatable for parents anywhere.... Raising tough questions about child rearing, morality and the way the Internet both frees and imprisons, Schulman's story resonates. – *People Magazine*

Schwartz, John Burnham

Northwest corner

The power of *Northwest Corner*, as its geographical center moves from Connecticut to California and back again, is in the way it asks the hardest questions of human experience with subtle grace...one of the most emotionally commanding novels of the year. – NPR, *Books We Like*

Silva, Daniel

Portrait of a spy

Member request

Gabriel Allon has been hailed as the most compelling creation since "Ian Fleming put down his martini and invented James Bond" (*Rocky Mountain News*). A man with a deep appreciation for all that is beautiful, Gabriel is also an angel of vengeance, an international operative who will stop at nothing to see justice done. Sometimes he must journey far in search of evil. And sometimes evil comes to him. – From book jacket

Tillyard, Stella

Tides of war

Donation

In short, war is as transformative for those who remain at home as for those who fight it, and historian Tillyard, making her fiction debut, does a superb job of portraying those transformations with deft, economical prose and metaphors that are as instructive as they are descriptive. This sophisticated, unusual portrait of Regency society will appeal to all readers of historical fiction, especially admirers of Bernard Cornwell. – *Library Journal*

Trofimuk, Thomas*Waiting for Columbus*

Member request

General Book Fund

Canadian writer Trofimuk's uneven novel begins with an inspired premise: a man claiming to be Christopher Columbus shows up at an insane asylum in contemporary Spain. Under the care of a nurse named Consuela, he begins to tell stories of Columbus's adventures, remembering some and reliving others. It is interesting enough at first, but the blending of then and now gets tiresome and hokey. - *Publisher's Weekly*

***M*YSTERY**

= indicates British mystery

Baldacci, David*The sixth man*

Donation

Barclay, Linwood*The accident***Burke, Alafair***Long gone*

Addictive.... Alafair Burke delivers her best book to date with her first stand-alone thriller.... A masterful read. Humphrey is an everywoman, and readers will care about what happens to her.... Compelling. - *Associated press*

Daheim, Mary*All the pretty hearses*

Combines charm with chaos at a consistently polished level. - *Kirkus Review*

Ewan, Chris*The good thief's guide to Venice***Fossum, Kari***The water's edge*

In spare, incisive prose, Fossum turns a conventional police procedural into a sensitive examination of troubled minds and a disturbing look at the way society views them . . . A superb writer of psychological suspense - *The New York Times*

Haddam, Jane*Flowering Judas*

Twelve years ago, Chester Morton disappeared from his hometown in Mattuck, New York, leaving no trace and never to be heard from again...Under pressure and with limited resources, the local police turn to Gregor Demarkian—a former FBI agent and a frequent consultant on such cases—to try and unravel the truth buried

within this very complex and tragic case..." From book jacket

Kent, Christobel*A murder in Tuscany*

Kent combines rich atmospheric and fully realized characters with a deceptively simple puzzle in her outstanding second mystery featuring Italian PI Sandro Cellini. Cellini blends the disingenuous cleverness of a Columbo with the world-weary awareness of how things really work of Donna Leon's Guido Brunetti. The sleuth's ingenious detection of evidence pointing toward foul play portends a long and successful series run. Louise Penny fans will find a lot to like. - *Publishers Weekly*

Mina, Denise*The end of the wasp season*

When a notorious millionaire banker hangs himself, his death attracts no sympathy. But the legacy of a lifetime of selfishness is widespread, and the carnage most acute among those he ought to be protecting: his family. -From book jacket

Myers, Amy*Classic in the barn*

General Book Fund

Classic car enthusiasts will relate to Jack Colby, the appealing hero of this series debut from British author Myers (*Murder on the Old Road*). During a walk in the Kent countryside, Jack spots a possible project for his classic car restoration business, "a dark-blue 1938 or '39 V12 drophead coupé Lagonda," tucked away in a barn....Readers, even those neither interested nor versed in the lead's field of expertise, will enjoy this lively, fast-paced mystery and look forward to the sequel. *Publisher's weekly*

Perry, Anne*Acceptable loss: a William Monk novel*

When the body of a small-time crook named Mickey Parfitt washes up on the tide, no one grieves; far from it. But William Monk, commander of the River Police, is puzzled by the expensive silk cravat used to strangle Parfitt. How did this elegant scarf—whose original owner was obviously a man of substance—end up imbedded in the neck of a wharf rat who richly deserved his sordid end? - From book jacket

Pronzini, Bill*Camouflage: a Nameless Detective mystery***Rendell, Ruth***Tigerlily's orchids*

Donation

Rendell marshals her large cast of vividly drawn characters with apparent ease, skewering their

self-deception and satirizing their pursuit of self-gratification with great skill.... The result is a thrilling exercise - *The Evening Standard* (UK)

Williams, Amanda Kyle

The stranger you seek

This is a character-driven, nonstop thriller with flashes of wit and romance that builds to a harrowing climax; fans of the genre will want to get in at the start. – *Booklist*
